Courtyard Fiberglass

ALLÉ is proud to offer this elegant lineup of beautiful and functional receptacles guaranteed to accent any environment. As this line clearly illustrates, fiberglass offers a wide array of finishes and textures with elegant subtle coloration.

Choose from smooth, highly polished standard gel-coat colors or a polished Granite-like finish. Soft Matte finishes and pastel colors offer quiet sophistication. While the Weathered, Quarry, Riverwash, and SandTex finishes convincingly replicate natural stone. Metallic finishes are another distinctive choice.
